**DEFENDANT'S MOTION TO REDACT CONFIDENTIAL INFORMATION FROM
PUBLIC VERSIONS OF TRIAL TRANSCRIPTS**

Defendant Monolithic Power Systems, Inc. ("MPS") respectfully moves that the trial transcripts in this matter be redacted to preserve the confidentiality of information contained in the proposed redactions set forth below.¹ A proposed form of Order is attached hereto for the Court's convenience. The grounds for this Motion are the following:

During the jury trial that commenced June 23, 2008 and ended on June 30, 2008 with submission of the case to the jury, testimony containing information confidential to MPS and to a third party, Maxim Integrated Products ("Maxim"), was provided by various witnesses who appeared live and by deposition. The transcripts from the trial were entered on August 11, 2008. *See* D.I. 231, 232, 233, 234, 235, 236. The information MPS seeks to redact relates to the confidential structure and operation of MPS's products and of certain products of Maxim. Redaction of this information from trial transcripts made available to the public through PACER or through request from the Clerk's office is required to ensure that confidentiality of this information is preserved.

¹ As indicated on the Docket, the parties' redaction requests are due September 2, 2008.

Specifically, MPS requests that the Court order that the testimony identified below by page and line number be redacted from all public versions of the trial transcripts entered in this matter:
